

The town shopping area is always bustling. Beautiful flowers are in bloom. There's a florist, a restaurant, a bakery, and clothing boutiques. So many stores! And in the back, there's a park. Hey, the man at the fruit stand is upset! Why could that be?

Print out this pattern, cut out the pieces, and assemble as shown in the diagram. It may be easier to cut widely each part, and then trim the parts carefully. Don't worry if you can't cut too closely around some of the fine details.
