Wedding Bear Bride

Wedding Bear Bride

Stuffed toy bears take the name 'Teddy Bear' from the 26th President of the United States of America, Theodore Roosevelt.

This Wedding Bear has been designed in the image of a bride. This adorable bride comes with a bridal bouquet in her hand and wears a pure white wedding dress on her happy day! Why not make a Wedding Bear as a wedding gift for a friend or colleague, or as an anniversary present for someone special!

The fun doesn't stop with the assembly of this "Wedding Bear Bride"; the arms and legs are movable so you can enjoy posing your teddy in different ways.

※ Wedding Bear has been designed in the image of a bridegroom. Let's match him up with a blushing bride!
